Portland State Office Building

800 NE Oregon Street, Room 918

Portland, OR 97232

ATTENDEES:

Advisory Commission Present: Chris Apgar, Katrine Bengaard, Lindsay Jenkins, Bill Jordan, John Mcilveen, Sharon Meieran, Carrie Schreibman, Laura Scobie, Mike Millard, Mark Williams

Advisory Commission Absent:

OHA Staff: Lisa Millet, Heidi Murphy, Josh VanOtterloo, Lillian Tureaud

Guests: Susan Otter, Justin Keller, Katrina Hedberg, Bryan Boehringer, Brianne Efremoff

Decisions
<ol style="list-style-type: none">1. The meeting minutes from Oct 2015 were approved as written.2. The 2015 Annual Report to the Prescription Drug Monitoring Program Advisory Commission for 2015 draft was approved by the commission.

INTRODUCTIONS

Millard called the meeting to order at 1:02 p.m. Attendees introduced themselves starting with Advisory Commission Members, then guests. Guests present included Susan Otter, Director of Health Information Technology, Justin Keller, Operations and Policy Analyst in Health Information Technology, Bryan Boehringer, Oregon Medical Association, and Brianne Efremoff, Oregon Board of Pharmacy.

LC REPORT

Susan Otter handed out a draft of LC 181 for review. In summary, this requires the OHA to disclose prescription monitoring information to practitioner or pharmacist or member of practitioner's or pharmacist's staff for use in certain health information technology systems. Otter noted that she has held conversations with Chris Apgar and the ACLU regarding privacy and security. A use case for EDIE notification and single sign-on were distributed to the group.

STANDING AGENDA ITEMS

a. Review quarterly metrics

Heidi Murphy presented highlights of the 2015 fourth quarter reports. She highlighted the increase in system accounts along with expansion of delegate account requests and system use.

b. BJA Grant Update

Millet noted that a no-cost extension of the current BJA grant was approved through September 2016.

c. Research Study Updates

Van Otterloo reported work is ongoing with Acumentra.

d. System Issues and Customizations

Based on dissatisfaction with vendor delays and impact on operations, PDMP staff worked with our Contracts and Procurement Department to withhold the annual payment and delivered a “cure letter” on 12/16/15. Murphy reported that since the letter was delivered, the vendor has now provided dates for all deliverables.

OLD BUSINESS

- a. The meeting minutes were reviewed and approved as written – see Decision 1.
- b. Murphy discussed customization request for dropping notary and updating the Health Information Designs (HID) run website to reflect. Murphy reported that this requirement was removed as of 10/19/15 and the website currently reflects this.

Murphy also discussed customization request to remove requirement from HID provider site that system user’s check box for Terms & Conditions of Use at each report they run, changing to only selecting once per sign on. Murphy reported that this had been completed during Nov. 2015.

- c. SB 71 was signed on June 18, 2015, increasing the frequency of reporting from 7 days to 72 hours with a statutory effective date of January 1, 2016, pharmacies have been asked to begin compliance by August 1, 2015. Murphy reported that she completed the contract amendment and IRR and submitted to the vendor and is awaiting a return agreement from them for PDMP staff to sign to implement.
- d. Murphy discussed Customization request 23 (dashboard which flags five metrics of potential patient risk) – submitted to the vendor on April 2014. We now have an estimated date of completion for this deliverable of 1/30/2016. Murphy reported that she has held multiple meetings with the vendor and they are currently on target for completion by this date.

NEW BUSINESS

- a. Review Annual Report

Millet reviewed a draft copy of the 2015 Annual Report to the PDMP Advisory Commission. Highlights included significant increases in the number of system users and the number of patient reports queried. Millard noted that he liked the approach taken with this report focused more on operations, especially adding the topics of data and administrative quality assurance.

- b. Update on research given previously during the meeting.
- c. No new information on data requests.
- d. Millet noted that PDMP staff, Stephanie Vesik, has been working diligently on data errors and developing relationships with pharmacies throughout the state.
- e. Tureaud requested Advisory Commission members submit a newsletter blurb on getting most frequent prescribers signed up to use the system.

OPEN ISSUES

None reported.

PUBLIC COMMENT

None received.

NEXT MEETING DATE

The next PDMP Advisory Commission meeting will be on Friday, April 15th, 2016 in room 918 at the Portland State Office Building.

ADJOURNMENT

The meeting was adjourned at 3:05 PM.
