

Logged In Landing Page

The screenshot shows the Oregon Prescription Drug Monitoring Program (PDMP) website. At the top left is the Oregon.gov logo. The main header reads "Oregon Prescription Drug Monitoring Program" with a "Home" button. Below the header is a navigation menu with "Home", "Query", "Report Queue", "User Management" (highlighted with a red underline), "Help", and "Quick Links". A "Log Out" button is located on the right side of the navigation bar. The main content area is divided into a left sidebar and a main panel. The sidebar, highlighted in yellow, contains links for "Recipient Query", "Prescriber History", "Query", and "Prescriber DEA Query". The main panel is titled "Oregon Healthcare Providers and Pharmacists Query Site" and includes a "Query Creation Tip" section. The tip text provides instructions on how to create a query, including details on search criteria and how to handle results. At the bottom of the page, there is a footer with the Oregon Health Authority logo, copyright information for Health Information Designs, LLC, and contact details for the PDMP Help Desk. On the right side of the footer, contact information for the Oregon Prescription Monitoring Program - IPE is provided, including the address, phone, fax, TTY, and email.

Query Creation Tip

Make your query as general as possible and then drill down to more specific information once you have identified the person for whom you are looking. For example, you could enter the last name of the individual, the first letter of the first name, and a birth date, and then click Next. When the preliminary results are displayed on the screen, you can highlight the person that you want to query and then click Submit to submit the query for processing.

If you enter a specific birth date for an individual and the query results are blank, click the Within field just below the Date of Birth field and resubmit the query with a wider date range, for example, within two years of birth date, to create a query with broader search criteria.

Once you have submitted the query for processing, you will be redirected to the Report Queue. In the Report Queue, click the Job Sequence ID number to view the report you requested. If the Job Sequence ID is not a hyperlink, click your browser's refresh button. The Job Sequence ID will appear as a hyperlink when the report is ready for viewing.

Once you are logged in, click on “User Management.”

User Management Menu

The screenshot shows the Oregon Prescription Drug Monitoring Program (PDMP) User Management Menu. At the top left is the Oregon.gov logo. To its right is the title "Oregon Prescription Drug Monitoring Program" above a landscape image of a beach. Below the title is a navigation menu with links for Home, Query, Report Queue, User Management (highlighted in blue), Help, and Quick Links. A Log Out link is located on the far right. A yellow sidebar on the left contains three menu items: Update User Profile, Change Password, and Delegate Accounts (underlined in red). The footer contains the Oregon Health Authority logo, copyright information for Health Information Designs, LLC, and contact details for the PDMP Help Desk, including phone, fax, TTY, and email addresses.

To link a delegate account to your master account click “Delegate Accounts”
